I think I'm finished. I've included email from 2/2013—4/2016. Again, some may be only for the site file or no file. The phone numbers may all be main office public numbers.

I've put 30 potential AR documents from 2013 in the folder, and expect that I should be able to do the 3 more years on Monday. Some of my documents may be just for the site file, some may be for neither file, and some may be confidential. There are definitely some cong. phone numbers that should be confidential or redacted.
